Assessor Comments	Buyers a very well presented line of “Windfalls Angus” weaned steer calves. This line has been put together well and show excellent breed characteristics and quality. Steers that show great length of body with depth and frame to grow into trade weights. Made up of Banquet and Milah Murrah blood lines they have great temperament and are well natured. These steers have been yard weaned and “weaner educated” with dogs over this process. 100% Grass Fed Nil Antibiotic and a part of the Greenhams Never Ever Program.
