Handled With	Heifers behaved fairly well, odd animal was a bit stressed in crush while weighing, they were weighed straight out of the paddock full. Not mad just odd animal wanted to break from herd when video and photos were being taken. Bikes , Vehicles		
Assessor Comments	A very well bred pen of heifers that are really going ahead with a bit of fresh green pick presenting. Ideal heifers to purchase and put straight with a bull with a bit of extra maturity to calve as 2.5 year olds. There are two other lots of steers in this sale from same vendor
