Vendor Comments

Annual draft of steers and heifers that have really started to improve on a fresh green pick

Handled With	Steers behaved fairly well, odd animal was a bit stressed in crush while weighing, they were weighed straight out of the paddock full. Not mad just odd animal wanted to break from herd when video and photos were being taken. Bikes , Vehicles
Assessor Comments	A very well bred pen of feeder steers that are really going ahead with a bit of fresh green pick presenting. Will grow out in to nice bullocks. One steer has a short tail. There are two other lots in this sale from same vendor, lighter steers and a pen of heifers
