Heifers typical for bucket reared Angus/ Friesian X cattle being very quiet to handle.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	Nicely presented draft of F1 Angus/Friesian heifers that you'd expect will mature into quality vealer mothers. Heifers are AI bred by Barnett Angus sires out of quality Friesian herd of larger framed cows doing 620kg solids/annum. They have had a recent drench and present in healthy, fresh store condition. A chance to acquire well reared, nicely bred F1 heifers to background and join.
