Assessor Comments	"Baanga" are offering for sale 48 June/July 2023 Drop Steers. They are Coolana, Weeran and Bowmont Blood. They are steers with good frame and are in good forward store condition and will continue to grow given the right level of nutrition. They have had two 5 in 1's and were drenched at weaning. They have been raised under Regenerative Farming Protocols. As I have said in the assessment these steers are extremely quiet and easy to handle. They are proven performers for past purchasers and are realistically reserved at $1000. Buy with confidence.
