	Heifers and calves worked through the yards well on assessment, they walked into the yards easily when mustered and were calm to talk photos around in small cooler yard.					
Handled With	Bikes , Dogs , Vehicles					
Assessor Comments	A great opportunity to secure a small line of first calf Ultra black heifers and calves which have been left unjoined ready to join to the bull of your choice or make perfect recipis. These females are currently running on country which has experienced a very wet few months, so expect some great compensatory gains if put into good winter feed. Please note vendor willing to deliver to cqlx Gracemere to help with movements, and vendor has pre treated these cattle.
