Assessor Comments	A good to very good line of young Angus cows PTIC to either a speckle park or Angus bulls. Sired by TEXAS or Ben Nevis stud sires out of good quality Angus (or two Angus Cross cows). These young cows are in excess to vendors' requirements and would suit those sourcing good quality future breeders. The Sheedy family are recipients of an MSA 2023 excellence in Eating Quality Progress award. NOTE: PTIC as under 4 months.
