Assessor Comments	A neat deck load of 24 well bred Angus heifers PTIC to Swanbrook Angus bull. These heifers were purchased late last year, all vendor bred heifers with quality bloodlines. Joined to Swanbrook Angus bull for tight 7 week joining. They are mostly medium frame that will make good future breeders. They were good free moving heifers and good to muster. Please note is another deck load of Angus heifers from same vendor to make 2 decks of PTIC heifers. 1 heifer had pinkeye and was treated at assessment.
