	Very well mannered cattle that were a pleasure to handle, These cows went through a 3 week weaning where they are tailed out with dogs and handled thoroughly through the yards. This was evident at assessment with the Cows working through the yards well and only a small hand full stirring up when isolated and under pressure.			
Handled With	Bikes , Dogs , On foot			
Assessor Comments	Opportunity to purchases a line of very good Charbray cows with Full Circle Angus calves at foot. Cows were purchased from Lord Pastoral company's Woodstock Station at Croydon in early 2021 as weaners. These Cows are very well mannered were a pleasure to handle. These cows were doing it quite tough prior to being sent on agistment to tilpa and would perform well wherever they go. they have put everything into their calves with them averaging 185kg. **Please Note** a small percentage of heifers had lumps on their neck from vaccination, 1 cow with old foot injury that isnt worrying her see photo.
