Assessor Comments	Located in the heart of the Upper Murray, Khancoban Station are well known & highly regarded Angus Beef producers. Previous winners of the MLA 'Most Outstanding MSA Beef Producer award', and most recent AusMeat Feedback of +4 IMF for herd average. With the tightening of their calving window, Khancoban Station are offering the opportunity to secure some of their tightly held genetics with the sale of their September/October calving cows. 10+ years of pure Rennylea Angus genetics behind these females, sparing no expense when selecting sires with the desired traits. These are healthy, proven, classed in breeders that have remained in the system by remaining sound in the feet, udder & teeth, and continuing to produce a calf every year. Quality females that will produce some top class keeper heifers to build a herd on & inject years of quality genetics in to your existing operation.
