Assessor Comments	17 PTIC Angus Heifers. Due to a reduction in acreage, Bimbadeen Angus is proud to present for sale this mob of Heifers that would usually be kept as breeders, these heifers were a joy to assess and were a breeze to handle and weigh throughout the yards. With widely popular demand at local store sales, making top prices year on year, this run of Bimbadeen Angus progeny is a fantastic buying opportunity. Heifers present in magnificent order and will suit any buyer looking for an easy to handle lot to either start a breeding program or inject into an existing line with 25 years of Angus breeding behind it, these Heifers are not to be missed.
