Assessor Comments	Solid middle age cows with good calves at foot. Plenty of life left in these girls with the weight and frame to keep producing outstanding calves for many years to come. Outstanding hybrid vigour in these cows which produce good framey offspring year on year. Cattle that have solidly performed. Ready to go back with the bull of your choice. Please note the vendor has another line of 11x11 vendor bred (progeny of these cows) in the same sale. Cows have been mothered to calves so there is an option to negotiate on the two lame cows.
