Assessor Comments	Good honest young cows. As can be seen by the weight have not had a check in their life and produce good sappy calves year on year. Cattle that will do and produce progeny with the frame and weight to return results. Best of the hybrid vigour can be seen in these cows. Vendor has another line of 12x12 (non-vendor bred) that are the matriarchs to these. Worth a look for setting up a future breeding program.
