Assessor Comments

Buyers on offer are 8 Angus cross heifers presenting in good strong store condition. Heifers show good feminine characteristics and would suite restockers looking to rebuild numbers. Heifers could also be taken through to feeder weight suiting the domestic/export markets or taken through to kill weights at a young age. Heifers were weaned at assessment 28/04/2024 and will remain in yards on good quality hay until delivered, cattle will be getting worked daily until delivered. Have taken 6 % off the weight due to yard weaning, Buyers please make own judgment. *Buyers please note vendor has another lot of steers in same sale*.
