Assessor Comments	Buyers on offer are 4 Angus cross Steers presenting in strong store condition. Steers would suite backgrounders looking to put steers away and take through to heavier weights. Steers could also be taken through to feeder weight suiting the domestic/export markets or taken through to kill weights at a young age. Steers were weaned at assessment 28/04/2024 and will remain in yards on good quality hay until delivered, cattle will be getting worked daily until delivered. Have taken 6 % off due to yard weaning, Buyers please make own judgment. *Buyers please note vendor has another 1 x lots of heifers in same sale*.
