|                    | These heifers were yard weaned and broken in at Booroomooka. They have been handled with horses and dogs and were a pleasure to handle in all aspects.                                                                                                                                                                                                                                       |
| Handled With       | Bikes , Dogs , Horses                                                                                                                                                                                                                                                                                                                                                                        |
| Assessor Comments  | Buyers, the rare opportunity presents itself to acquire heifers out of the Booroomooka herd. Heifers show outstanding frame for age and femininity and scope to grow into exceptional cows. Dams are pure Booroomooka blood. Heifers have been joined to low birthweight/high marbling Booroomooka Angus Bulls (including grandsons of L519, Bartel E7 and sons of Paratrooper, New Ground). |
