Assessor Comments	Mt Stirling offers a neat deck load of 26 quality angus heifers PTIC to Swanbrook bulls. These are 1 mark heifers that were purchased from the breeder in Orange. They are deep, soft heifers that will make quality future breeders. These heifers are sired by Rennylea and Temania bulls. Heifers were joined for tight 7 week period but note bull did get in earlier for a short period. These are good heifers that have been handled plenty in paddock but not been through the yards alot. Please note vendor also has another deck load of heifers to make 50 Angus heifers PTIC to fit neat 2 decks. 1 heifer had slight blemish on eye.
