Heifers are on their first calf and are presenting in their working clothes as they are putting every thing into their calves which were sired quality Glenavon Bulls. Calves offer lots of upside with 21 out of the 36 being male Calves which present in good fresh condition (Please note one calf a little on the dry side), Calves have been marked and given there first 5 in 1 vaccine. Heifers are good Feminine types that are moderate frame that are well bred from bloodlines including Dulverton, Wattle Top, Rennylea, Alpine, Ballangeich, Toolleen & Spry Angus.
