Assessor Comments	Here is a good opportunity to purchase a quiet young bull with his hole life ahead of him. ROSEDALE ROLAND has only been with 20 cows and is only for sale due to a change in breeding program. ROSEDALE ROLAND is a Polled bull and is above breed average in Gestation length, Birthweight, Milk & IMF. He is a good muscled bull that is free moving and good skinned. All health treatments are up to date and has been well looked after. Bulls pedigree is in photos. Intending buyers please note the picture of bull calf is an example of the quality this bull produces and is not included in the sale.
