Assessor Comments	An outstanding line of pure Ironbark PTIC heifers. The Hogan family have been buying Ironbark bulls for 30 years and the quality of the heifers reflect this, big soft females with plenty of bone and growth. Heifers are in calf to the low birth weight Hazeldean sire S459, with a calving ease of +8 and a BWT of 3.6 calving wont be an issue. Due to calve Mid August. Heifers are sired by stud Ironbark bulls including M140 in which Ironbark retained semen rights. Absolute top of the line heifers that will not disappoint.
