	Polite young females to handle, very quiet & easy to share the yards with. Non became upset, even when they were caught to be mouthed, all exited the crush at a walk. Lovely natured females to handle.

Assessor Comments	Nice lot of very quiet young females, all with a strong, healthy calf on the ground. Very true to type Angus females, with soft, pretty faces. Deep, maternal bodied with good big bags of milk, taking very good care of their bright eyed young calves at foot by the Ardenside Angus Bulls. These young breeders have a very quiet, sensible disposition and would be a perfect addition to an any scale operation, be it hobby farm or to increase some numbers.
