| Assessor Comments  | Line of mature aged East Gippsland bloodline Hereford cows with calves at foot, one heifer in the line. Full and broken mouthed cows with on heifer, polled and one dehorned cow, Hereford calves at foot with the heifer have an Angus calf. (Black Baldy). Presented in genuine store condition, cows are of a shorter traditional stature, evident of mountain bloodlines. Calves are not marked and are due for their first vaccination upon delivery. |                |     |                 |     |                 |     |              |       |            |                |                |               |           |     |   |     |            |     |      |     |       |     |   |     |
