Assessor Comments	Watervalley offering 50 Watervalley Black Angus heifers PTIC 5 - 8 months to W.V bulls. They Ave 353.2kg curfew. Presenting in forward store condition offering good medium frames. These cattle will hold condition well while being capable of raising a good calf. They line up quite well showing true Angus characteristics, being no crossers removed at assessment The Watervalley cattle are well known for their doing ability and will perform well for those buyers with feed and wish to add value to their purchases.
