	Steers worked beautifully whilst processing for this assessment, good on the ground and were settled for the videos and photos straight after we finished. They work well in the paddock with motor bikes, horses and dogs.

Assessor Comments	A quality line of yearling steers, displaying good bone and breed type, in perfect condition for the astute purchaser. Great temperament and will adjust to any grazing situation as they are coastal bred. The steers are out of a herd of good framed cows and the stations steers turnoff as 3year olds at an average live weight of 570/600 kg.
