	Cattle worked well through yards and crush, have had quite a bit of handling through yards. Some cattle became slightly agitated when in the crush (not unusual), when let out they settled back to the mob quickly. Overall a good mob of steers to handle.

Assessor Comments	Buyers here is a great line of good quality Angus steers that will be perfect for backgrounders to put on oats crops or improved pastures. These would ideally suit backgrounders for the Angus feeder market. These steers are bred to perform and are really powering on at the moment.
