Assessor Comments	Buyers a great opportunity to secure run of USDA, NOP Organic GAP and Korean certified heifers sired by Gidyea And JK Brangus & Ultrablack bulls out of Large framed Ultrablack and Brangus cows .All the hardwork is done, fully weaned and educated in March . Ideally suited as future breeders that would compliment most herds or alternatively suit to take through to Lucrative Organic slaughter or feeder markets .The Bogarella cattle are highly regarded for their performance on grass or grain and are sought after by repeat buyers when normally sold at heavier weights. Please note 1 heifer missing half a tail, 1 with a small navel hernia and 2 heifers observed with old blight scarring in 1 eye not considered detrimental. Please note 2 decks of colored sisters same sale.
