| Assessor Comments  | Very quiet line of good quality Hereford cross heifers, would be ideally suited as replacement breeders or could be taken on to heavier weights to suit a wide variety of markets. In good condition and would go continue to go ahead given the opportunity. (Vendor has 1 other lot in the same sale).                                                                                     |
