Assessor Comments A top quality line of flatback weaner steers bred on light country. These steers will perform the house down given the rite environment. All bred out of Santa and Droughtmaster cross cows by good quality Santa and Simmental Bulls. The quality of these steers is very evident through their frame and type. These cattle are renowned for there doing ability. The steers were a pleasure to handle at assessment and remained settled through photos and videos. Please note, 1 Steer cut 2 weeks prior to assessment. Cattle are in the ticks and were pre treated at time of assessment with Amitik plunge dip and will be scratched clean at delivery. Vendor also has heifers in same sale
