	Weaners handled very well through yards at assessment, with only 2 getting slightly agitated while waiting for scales to settle and were fine once let out - The mothers of these steers are extremely quiet with the whole mob being mustered with one horse and 2 dogs			
Handled With	Dogs , Horses			
Assessor Comments	A top quality line of flatback weaner Heifers bred on light country. These Heifers will perform the house down given the rite environment. All bred out of Santa and Droughtmaster cross cows by good quality Santa and Simmental Bulls. The quality of these Heifers is very evident through their frame and type. These cattle are renowned for there doing ability. The Heifers were a pleasure to handle at assessment and remained settled through photos and videos. Please note cattle are in the ticks and were pre treated at time of assessment with Amitik plunge dip and will be scratched clean at delivery. Vendor also has Steers in same sale
