Cattle handled very well through yards at assessment with only 2 steers becoming slightly agitated while waiting for scales to settle however settled straight away once let out. Steers then placed in holding paddock for photos and videos and handled with 1 dog with ease.

Handled With	Bikes , Dogs , Horses , On foot
Assessor Comments	A top shelf line of steers bred on light country ready to take on to heavier weights. These cattle are well bred and possess great bone and structure to really power ahead given the opportunity. Steers will have been weaned for 2 weeks at time of sale and have been tailed out daily from time of assessment so all the hard work is done. Very well mannered cattle that will suit any operation looking to purchase some quality backgrounders. Please note cattle are in the ticks, they have been pre treated with plunge dip and will be scratched clean on property at delivery, Vendor also has heifers in same sale
