Cattle are a pleasure to work with. Steers flowed through home yards with ease and minimal pressure was applied. One steer become agitated whilst being assessed but quickly settled once back with the mob.

Assessor Comments Buyers a run of annual quality weaned Angus steers that show plenty of depth and with and growth for age. All the hard work has been done for the cattle to go straight out to the paddock of your choice to grow onto future markets. Cattle were an absolute pleasure to work with throughout the whole assessment and would be ideal for any grazier. (Buyers Please
