Notable Traits	Traits 1 Head Small White Birth Mark On Head
Assessor Comments	Buyers a run of annual quality weaned Angus Heifers that show plenty of depth and width and growth for age. All the hard work has been done for the cattle to go straight out to the paddock and grown on to future breeders or the market of your choice. Cattle were an absolute pleasure to work with throughout the whole assessment and would be ideal for any grazier. (Buyers Please note vendor has multiple lots in same sale.)
