Assessor Comments	*** COMPLETE EU HERD DISPERSAL *** These PTIC Young cows presents a great opportunity for any one to buy a part of this outstanding well bred herd with all of the hard work done. The Breeding program of the Tindal family started 40 years ago at "Yandooya" with a simply Goal to supply quality bred feeder steers that would suit and preform in a long fed Angus Program. To achieve this Fertility was a key to have in the female herd, a one chance policy has always been the motto at Yandooya. Other key focuses have been Growth, IMF, EMA, Birth Weight and Docility. A nucleus of carefully selected females from AI sires from America and Australia make up the back bone of this self replacing herd that produce their own sires and females, The Rennylea G918 and the Bridgewater Franklin P061 bulls have been key genetic lines used in the herd. Cows are due on their forth calf to start calving mid to late August. Quality EU Angus females that Ooze Softness, Stretch & Femininity.
