Assessor Comments	A nice line of Angus x Angus and Angus cross cows of which some were purchased from Bald Blair Angus. These cows present in good condition and exhibit plenty of quality with excellent bone and structure. These cows present the purchaser with an opportunity to purchase quality breeders to start or add to their breeding herd . The purchaser has the added value of trust in knowing that the stock bloodlines stem from Bald Blair, Farrar and Kilburnie bloodlines and by Knowla and farrar registered bulls. These cows had big calves taken off them a month ago. Cows were a pleasure to handle at assessment. This is a genuine herd dispersal, The property has been sold. Buyers please NOTE: Please refer to Breeds Table for breakup of breeds. Please Note. All cows in this assessment have sound mouths, any cows that were broken mouthed or starting to break were removed.
