These are off a hobby farmer so handled regularly, and call them they come to change paddocks. 1 Baldy cow looks at you so was bluffing owner. They were all quiet to handle through yards.

Handled With	On foot
Assessor Comments	On offer is a nice quiet line of 6 Angus x cows with big Speckle calves at foot. These cows are in the prime of their life being only on their 2nd calf. They have been rejoined to Stud Hicks Red Angus bull. These cattle belong to a hobby farmer and were quiet to handle. The calves are Nov drop so good size averaging 235kgs. Cows are in forward store condition putting it into the calves and were put on a fresh paddock at assessment. Suit hobby farmer or just someone wanting quiet cows and calves. Calves by Speckle but only 2 Speckle color others straight black. Note Baldy cow had few warts on side of head but not detrimental.
