Assessor Comments	Quality line of 4 year old PTIC Poll Hereford cows. Genuine sale with property being sold. Great cows that are in the prime of their lives. Cows have come through a bit of a tuff few months with the season not going there way in Tumbarumba. These cows come from a well known Poll Hereford herd where the vendor takes pride in his cattle. On a normal season these cows would be over 650kg plus. Cows joined to Yavenvale Poll Hereford Bull and Malebo Angus bull. Great opportunity to get into some quality poll Hereford cows that are known for their performance. Please see vendors other line of 5 year olds in same sale.
