Handled With	very well handled. They have been educated using low stress stock handling techniques. Bikes , Horses , Low Stress Stock Handling© practices (23/11/2022) , On foot , Vehicles
Assessor Comments	9 PTIC Angus Cows. These cows still have plenty of youth about them. Proven breeders, previously producing good solid angus calves. An opportunity presents itself to purchase a small line of young cows that are in forward store to prime condition. They have been joined with Connamara Angus bulls and are due to start calving late July, with a tight 2 week calving window.
