	Quiet: 14 head	Quiet: 11 head Slightly Stirry: 3 head	Temperament not assessed in Paddock

Cows were easy to draft and move through the yards, couple a bit nervous on the scales but happy when back in herd,

Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	A small line of EU Accredited Angus Cows, These cows have successfully reared a calf every year and are only being offered due to a failing season, The vendor has consistently purchased from the top end of the Hazeldean catalogue for many years and it does show through in the breeding of these cows, The Emu Park herd is generally a medium to large frame easy doing type female that is run in a high capacity stocking rate environment and I would expect these cows to thrive given favorable grazing conditions, Progeny from these cows a keenly sought after by both grass and grain finishers,
