Assessor Comments	8 PTIC Angus cows, that are sired by Ardenside Angus bulls. They are September/ October 2020 drop and are PTIC to the Angus bull for October/ November calving with their 3rd calf. They are all proven breeders with youth on their side, and are only being sold due to the vendor changing farming enterprises. They would be an ideal addition to a breeding program. Please note 2 cows have an old pink eye scar.
