These Heifers are very quiet the vendors use very low stress cattle handling practices and have always been big on temperament of livestock the Heifers were a pleasure to assess.

Assessor Comments	Excellent group of purebred, registered Shorthorn NSM heifers. These are ready to join and will calve as 2 1/2 year old heifers in Autumn 2025. They weren't joined for calving as the owner (Chester Shorthorns) is moving from split calving to all Autumn calving in 2025. The 15 Heifers are well bred, purebred, registered, quiet/docile and with good bloodlines to add value to your breeding operation. Also included in with the purchase is 8 straws of semen in Bayview Boxer Q100 (purchased for $18,000) and 7 straws of semen in Futurity Maverick R257 (purchased for $20,000). The straws are stored at Bass Valley Embryo's (Loch Victoria) and its the purchaser's responsibility to transport them.
