Assessor Comments	2 x 2 Charolais Cross Cows with Angus Calves at foot. Cows have been running with other sale lots but have just been separated for breed type. 2 Large framed cows with quality strong calves at foot, would suit anyone looking to inject strength into their Vealer calf breeding programs, cows are of excellent nature and are putting a power or work into their young calves. An easy purchase recommendation for anyone chasing some quiet, sound Charolais cross cows and calves. Calves have been sired by a Wattlewood Angus Stud Bull and have excellent shape to grow out as strong vealers. Cows are well suited to be acquired, taken home and joined to the bull of your choice. (Please note vendor has other lots in this sale.)
