Assessor Comments	On offer is a neat line of 400 SIL Merino Ewes. To ensure flock fertility, this mob is 100% SIL with twins. Purchased ex Warren, originally Mulloorie blood, South Australian bred ewes. The quality of these medium to large frame ewes is no doubt there. Paired with equally impressive Talbragar Border Leicester Rams, the opportunity for quality 1st cross lambs will be apparent for future markets. These ewes are set to start lambing on the 8th of July for a tight 5 week period. Buy with confidence, a rare opportunity to purchase four decks of SIL Ewes (twins). Please beware: Vendor will have other ewes on offer in the same sale.
