Assessor Comments	On offer is a neat line of 320 SIL Merino Ewes. Drafted accordingly these ewes were all deemed single lambers at scanning, with dries and twins taken out. Purchased ex Warren, originally Mulloorie blood, South Australian bred ewes. The quality of these medium to large frame ewes is no doubt there. Paired with equally impressive Talbragar Border Leicester Rams, the opportunity for quality 1st cross lambs will be apparent for future markets. These ewes are set to start lambing on the 8th of July for a tight 5 week period. Buy with confidence. Please beware: Vendor will have other ewes on offer in the same sale.
