Assessor Comments	Very well grown ewe lambs, right up on the job for lambing. This breeder only has small acres so this just need to be sold to make room. The quality in these ewes is first class and they are showing all the right attributes for the Australian White breed. They are Tattykeel blood and whilst dont carry the Red tag they would be eligible for these if you so desire. It maybe a small line but you wont be disappointed with the quality.
