Assessor Comments	A very good line of White Dorper ewe lambs that are fresh & true to type that will grow into great breeding ewes in the near future. No ewe lambs from this drop have been retained.. Bargunyah Past. Co concentrate heavily on fertility, structure and weight for age when selecting their rams, all rams are Auction grade and ewes are heavily classed at scanning and marking time. With a 30% tail taken out before assessment the ewes are a good even line. They will be sold in 2 lots of 240 for a total of 480 head.
