Assessor Comments	Fantastic opportunity to purchase a line of quality SIL First Cross ewe lambs. 100% of ewes lambs are scanned in lamb to Aberdeen Poll Dorset Rams, and are due to commence lambing the 15/06/24 for 36 days. With ewes being scanned late in their pregnancy, the amount of multiples is unknown but in the past vendor has noted lambing percentage's on 140% in their maiden ewes. Please note, vendor is happy to drench and vaccinate ewe lambs at buyer request to help with stress management of the ewes.
