Assessor Comments	A very nice line of Russell Pastoral Background Steers. Two lots of 182 hd to be sold as a run out the gate. This draft is the higher Angus content from the crossbred herd, influences of Charolais , Droughtmaster and further back Braford can be seen through the mob. These cattle have a huge reputation for weight gain performance, consistent weight gain competition winners over the last three years at the RNA EKKA. These Steers have good frame and will have good compensatory gain. Please note all care has been taken to identify and remove a small number of the age drop that were treated with HGP. Quality steers.
