Assessor Comments	Quality Angus with a few Angus x heifers. These heifers will be 100% weaned by the delivery date. Cattle well educated and extremely quiet to do anything with. All the hard work is done on these heifers and would suit any program. All the heifers have been 5in1 and are in excellent health. These cattle are known traditionally to be good doing cattle given the opportunity. Please note one heifer had pink eye that was treated at assessment. Very nice cattle well worth a look!
