Handled With	Stock flowed through the yards with ease and needed very little encouragement to enter the race. 2 steers became agitated while being mouthed, however instantly settled once returned with the others. Bikes , Dogs , On foot , Vehicles
Assessor Comments	Presenting in foward store condition is a line of Angus & Angus/Shorthorn cross steers. These steers had experienced un favourable conditions prior and post weaning due to the localised dry weather. However since the change in season, these steers have progressed well and shown great growth. Steers show quality and have been very well handled and weaned with very good husbandry practices. Ideal to continue on Oats or feedlot suitable.
