Assessor Comments	A neat line of good quality steers that would make great backgrounders or put straight on to feed with Majority being autumn drop calves, Steers stand on good bone and are all frame. A great opportunity to secure a line of steers that meet the criteria for Grass and antibiotic free markets or prefect articles for the angus and cross bred feeder steer market, averaging 340 kg full at assessment this line offers a quick turn around for the backgrounder or medium entry weight steer to go strait onto feed. Please see another 5 lines of younger steers and heifers from this same vendor in this same sale.
